## PROFESSIONAL SUMMARY

Hello, I am Zahid Hossain and now am studying Computer Science and Engineering at Daffodil International University. I am working on a Research Base Project. Besides, I also have a passion for full Stack Web Developing. I have extensive experience working with group on multiple projects. Always starving to apply my programming skills to make application perform smoothly and more open to the world. I want to find solutions to the technically challenging facts of application. I'm excited to employ the skills as part of a fast-paced, quality-driven team in order to build better experiences.
